TENDER – NOTICE
INVITING TENDER NO:
GOAW/GZP/015/2020-21

1. The Office of the General Manager, Govt. Opium & Alkaloid Works, Ghazipur (located nearly 73 Kilometres from Varanasi) invites sealed tenders in Two Bid Online tenders (Technical Bid and Financial Bid) System from the Manufacturers/ Authorized Dealers of the D.G. set 380 KVA for the supply, installation, testing and commissioning of the under mentioned Annexure-A to this notice Inviting Tender.

3. Tender Documents may be downloaded from Central Public Procurement Portal (CPPP) site http://eprocure.gov.in/eprocure/app as per the schedule given in the times schedule for tender as above. Aspiring Bidders who have not enrolled/registered for e-procurement should enrolled/registered before participating through the website http://eprocure.gov.in/eprocure/app. The Portals enrolment is free of Cost. Bidder shall submit their quotationOnline on http://eprocure.gov.in/eprocure/app as per the tender document published. Bidders are requested to follow the instructions carefully as per the tender document and the instrument given in the above said website.

4. The tenders shall be submitted online, in two parts viz. Technical Bid and
Financial Bid, along with all the tender documents. The format of Technical and Financial Bid is given in Annexure-B & C. All the pages of the bid must be sequentially numbered and signed. Over writing, if any, has to be duly certified/attested by the bidder or his authorized signatory irrespective of nature of content of the documents before uploading. Bids submitted without copies of documents specified shall be summarily rejected. The offers submitted through any means other than uploading on the CPPP website https://eprocure.gov.in/eprocure/app shall not be considered. No correspondence will be entertained in this matter.

5. Interested parties are advised to visit CPPP website https://eprocure.gov.in/eprocure/app regularly till closing date of submission of tender for any corrigendum/ addendum/ amendment.

6. In the event of any of the above-mentioned date being subsequently declared as a holiday/closed day for this office, the tenders will be opened on the next working day at the scheduled time without any further notice.

7. Interested parties may also download the tender from the official websites – www.goaf.gov.in. The bids, complete in all respects should be submitted exclusively through the Government e-procurement portal https://eprocure.gov.in/eprocure/app on or before 06.00 PM on 04.07.2020.

8. For any clarification Shri O.P. Rai, Manager, GOAW, Ghazipur may contacted at the office or on telephone number or Mobile number: Tel. No. 0548-221201 (Office) & Mob. No. 9891249214.

-Signed-
GENERAL MANAGER
Enclosures:

(i) Annexure-A (Product specifications).
(ii) Annexure-B (General information for the renderers & Terms and conditions)
(iii) Annexure-C (Technical Bid Format)
(iv) Annexure-D (Tender Acceptance Letter)
(v) Annexure-E (Special Instructions for e-submission of bids)
(vi) Annexure-F (Amount of EMD to be deposited and integrity pact submitted after signed along with Technical bid)
PRODUCT SPECIFICATION

Govt. OPIUM & ALKALOID WORKS, GHAZIPUR(U.P)
REF. F.NO. 8/8/19/PS/2019

(A) DETAILED SPECIFICATION FOR ALTERNATOR, TURBO-CHARGED DIESEL ENGINE AND AMF CONTROL PANEL:

Diesel Generating set complete with turbo charged Cummins Diesel Engine, Jyoti/ Crompton Greaves/Stamford Alternator and AMF Control Panel conforming to the specification given below. Turbo charged Cummins Diesel engine and alternator shall be closely coupled or provided with flexible coupling mounted on a base plate of robust in construction. DG Set shall meet the requirements of environmental protection rules, 1986 as laid down by Ministry of Environmental & Forest read with GSR 371(E) dated 17.05.2002, GSR 520(E) dated 01.07.2003 & GSR 448(E) dated 12.07.2004, amended up to date, in respect of "emission norms" for the engine and in respect of "noise norms" for DG sets. All turbocharged engines shall conform to IS:13018/1990(reaffirmed 2005)AND IS: 10,000 series.

DG Set should have protection against under voltage, over voltage, under frequency, over frequency, low battery voltage, over current, earth fault, short circuit, phase sequence change etc.

(1) ALTERNATOR:

The Jyoti/ Crompton greaves/Stamford/ Kirloskar alternator shall be self excited and self-regulated of 380 KVA rating in three phase at 415 Volts, 50 Hz, 1500 RPM & 0.8 PF and shall conform to IS:13364(Part2)/1992(reaffirmed 2008). The alternator shall be of brushless type only with VG-2 Grade of voltage regulation. The alternators shall be screen protected, drip proof with IP-21 or better degree of protection as per IS:4691/85(reaffirmed 2004). The alternator should be suitable to take unbalanced load as per IS:13364(Part-2)/1992(reaffirmed 2008).

(2) TURBOCHARGED DIESEL ENGINE:

The turbocharged Cummins Diesel Engine shall be water cooled for 380 KVA rating Alternator ,electric start developing required BHP at 1500 RPM with Electronic governing to deliver specified continuous KVA output at 0.8 Power Factor Lag at NTP conditions. The Diesel engine should be capable of providing 10% overload for one hour in every 12 hours continuous running at full load. The turbocharged Diesel engine shall conform to IS:13018/1990(reaffirmed 2005)AND IS: 10,000 series. Specific fuel Consumption (SFC)shall be as per IS specification.

The Turbocharged Cummins Diesel engine shall be complete with the following accessories:

(a) Fuel tank with air breather, drain plug with capacity for 24 hours of continuous running at full load or 990 liters capacity, whichever is lesser.(b) Engine instrument panel consisting of starting switch
with key, lube oil temperature and pressure gauges, RPM indicator and hour meter with additional feature of auto start/remote start and auto stop.

(c) Safety control to shut down the engine in the event of over speed, low lube oil pressure and high engine water temperature.

(d) Exhaust silencer residential type.

(e) 12 V or 24 V starting system complete charging alternator or dynamo and cutout.

(f) Lead Acid/ semi-maintenance free batteries of suitable ratings with connecting cables. The batteries shall be supplied dry and in uncharged condition and shall conform to relevant IS. Only, the following make of batteries shall be accepted- Exide, Tata Green, Amron, Amco, Tudor, Cummins-Pulselite, Prestolite and Standard Furukuwa.

(g) Anti-Vibration mountings for complete DG set in case of flexible coupling and for turbocharged engine in case of direct coupling.

(h) The fuel level should be indicated with the help of fuel gauge meter.

(i) There should be provision for filling the fuel from outside (as in case of automobiles) with locking arrangement.

(3) **AMF CONTROL PANEL:**

AMF control panel shall be able to start up the DG set and transfer the load to DG set on the Mains failure without requiring any human intervention. Similarly on restoration of the Mains supply it shall be able to transfer the load to Mains supply and switch off the DG Set automatically.

The AMF control panel shall be fabricated from steel sheet of 2.0 mm thickness minimum duly pretreated and aesthetically finished. The control panel shall be totally enclosed, dust and vermin proof, floor mounted type with degree of protection IP-53 as per IS/IEC:60947(part-1)/2004.

The AMF control panel shall consists of following instruments of which any of the items can be supplied in a combined relay/meter also.

(a) Microprocessor based AMF relay.

(b) AC voltmeter(s) of class 1.5 accuracy ,0-500 volts with selector switch. Separate voltmeter shall be provided for Mains and Alternator.

(c) AC Ammeter(s) of class 1.5 accuracy and of suitable range, with selector switch.

(d) Mode selector switch for setting the panel on any one position such as off or auto or manual or test.

(e) Engine ON-OFF switch (push button type) and other Switch (push button type) to transfer the Load on Alternator in manual mode.
(f) HRC fuses of suitable ratings.

(g) Rectangular aluminium bus bars (1 No. for each phase, neutral and earthing terminal) of adequate rating duly colour coded with head shrinkable PVC sleeves.

(h) Two nos. power contactor (one for Mains and one for generator) up to 380 KVA & EDO breaker for DG sets above 380 KVA, ACB will be complete with O/L, U/V release, short circuit protection.

(i) Under voltage relay for mains.

(j) Three attempt engine start / engine cranking relay.

(k) On delay timer for load change over.

(l) On delay timer for engine shut off.

(m) Pilot lamps three nos. in case of three phase DG sets.

(n) Battery charger complete with voltage regulator, float or booster selector switch, ON-OFF switch, Voltmeter and Ammeter for charging the battery from Mains. This will be in addition to the battery charging alternator fitted on the engine.

(o) Instruments and control fuses 06(Six) nos. power fuses of suitable rating.

(p) Five nos. indicating lamps to indicate Mains Low Voltage, Load On Mains, DG Set running, Load on set and Battery charger ON.

(q) Audio Visual alarm for Low Lubricating Oil Pressure, High water temperature, Start Failure and DG O/L.

(r) Over current relay protection.

(4) ACCOUSTIC ENCLOSURE:

The acoustic enclosure shall conform to the drawings TYPE approved by a Govt lab, for conformity to noise norms. This aspect shall also be verified by QA officer at the time of INSPECTION. The QA officer shall tally the enclosure offered with the approved drawing. The Acoustic enclosure should consist of following:

(a) The enclosure should be fabricated out of CRCA sheet of minimum 1.6 mm thick.

(b) The sheet metal components should be suitably pre-treated and should be powder coated to have long life of enclosure.

(c) The battery should be accommodated in a separate tray in the enclosure.

(d) There should be provision of drain plugs for draining lube oil and diesel.
(e) The doors should be gasketed with quality gaskets to avoid leakage of sound.

(f) The door handle should be lockable type.

(g) Sound proofing of enclosures should be done with high quality rock wool/mineral wool/foam/fiberglass wool.

(h) The rock, mineral, fiberglass wool is further covered with fiberglass cloth and perforated powder coated sheet.

(i) A special residential silencer should be provided along with the enclosure to control exhaust noise.

(j) Specially designed louvers should be provided to control sound at air entry to the container and exit from the container.

(k) Ambient temperature limit inside the canopy should be specified.

(l) There shall be provision for emergency STOP from outside the enclosure.

(m) Acoustic Enclosure shall conform to pollution noise norms stipulated in notification GSR 371(E) dated 17.05.2002, amended up to date.

**B) Supplier shall provide the testing facilities for the following tests in their works at the time of inspection.**

(1) The testing of diesel generating sets of all ratings shall be done with a load of 0.8 pf lag.

(2) The sample size shall be 100% of the offered quantity of DG sets for conducting acceptance tests.

(3) The facility for checking of alignment of DG set before subject to load test for which tolerance is 0.01 mm in case of flexible coupled DG set and not applicable for direct coupled.

(4) Voltage regulation test at 0.8 pf lag.

(5) Full load test for 4 hours at rated KW at 0.8 pf lag.

(6) After 4 hours full load test, 10% overload test shall be conducted for one hour at 0.8 pf lag. DG set should be capable of running at full-load test for one hour, after the overload test. The parameters should meet the requirements at full load, conducted after the over-load test.

(7) High voltage test at 1.6 KV for one minute after the load test.

(8) Insulation resistance test.

(9) Checking for the trouble free starting and oil leakage.
(10) High voltage and insulation resistance tests should be conducted on alternator as well as control panel after the load test.

(11) The control panel will be checked for functional requirements and completeness as per R/C specification.

(12) Vibration test: Vibration below AVM's should not exceed 100 microns.

(c) Supplier shall also provide following documents to DQA at the time of inspection.

(1) DG Sets manufacturer’s shall furnish invoices and OEM’s test certificates for turbocharged engine/alternators used, at the time of inspection from the original manufacturer. The Invoice should have been billed directly to DG sets manufacturer. Original will be shown to the visiting inspector for verification during inspection.

(2) Valid Calibration certificates of all the testing meters from any Govt. Lab.

(3) Complete & satisfactory Type test certificate (TTC) for turbocharged engines, alternators complete with enclosure to be used by them for 380 KVA rating of DG sets clearly identifying make, model and ratings of the DG sets tested to the concerned DQA at the time of pre-8is patch inspection. The TTC of three phase alternators shall cover unbalanced load test as per cl.24 of IS:13364(part-2)/1992(reaff 2008) as applicable. The TTC shall be from any Govt. Lab. Type testing witnessed by the representative of concerned DQA at the firm’s premises shall also be acceptable.

(4) Type approval certificate for “emission norms” for engine from Certification agency as per notification no.GSR 371 dated 17.05.2002 amended up to date.

(5) Type approval certificate of DG set for “noise norms” with turbo engine model combination from certification agency as per notification no.GSR 371 dated 17.05.2002 amended up-to-date.

(6) Type test certificate from any Govt Lab for IP-53 degree of protection for AMF panel.

(7) Routine Test certificate of engine, alternator and control panel under supply.

(8) DG Sets should be self-contained units supplied with the acoustic enclosure.

Therefore supplier shall have to furnish the foundation details along with the DG Set to facilitate the process of installation & erection of DG set.

(9) While dispatching the DG Sets to the consignee, the supplier shall issue letters to respected Engine /alternator manufacturer whose engine /alternator have been used in their DG Set supplied, informing them about the consignee’s details including Name, Location so as to take care of the maintenance requirement in future at consignee’s end.
Simultaneously, Consignees will also be informed about the above details of service centre i.e. Name, mailing address, e-mail address, telephone Nos. and name of the contact person etc. of the turbo engine /alternator manufacturer who may be contacted for obtaining the service support & due maintenance. This requirement is in addition to the contractual obligation of the DG Set suppliers. If the Service Centre of manufacturer does not attend the complaint then the supplier will be liable to make arrangement for the same.

(D). Tenderer shall confirm that DG set shall meet the requirements of

Environmental (Protection) rules 1986 as laid down by Ministry of Environment and Forest read with GSR 371 dated 17.05.2002, GSR 520 dated 01.07.2003 and GSR 448 dated 12.07.2004 in respect of emission norms for engine & noise norms for DG Sets. The latest amendments to above GSRs shall be applicable.

(E). DG set shall also meet all the other statutory requirements as notified by the Government from time to time. Tenderers shall give complete details as per the questionnaire in this regard for each item quoted.

INSTALLATION AND COMMISSIONING OF 380 KVA DG SETS:

The responsibility for installing and commissioning of DG sets shall be that of the firm. The firm shall complete installation within 1 month of receipt of DG sets by the consignee.

The scope of installation and commissioning shall be as follows:

**Foundation:**
The set has to be installed on existing foundation of 200 KVA DG set with amendment as per requirement and removal of the existing 200 KVA old D.G. Set and other necessary civil work also has to be done by the tenderer.

1. **Cable:**

   Polycab/Finolex/Havells make PVC insulated PVC sheathed Armoured, Aluminium Conductor 1100 volt 3 ½ Core Cable, Size= 240mm², 200 mtr. (Approx. ±10%)

   Laying about 100 mtrs. of above cable including cable glands, termination, jointing materials from Alternator to A.M.F. Pannel and AMF Pannel to main supply line, Switch Board Room and Switch Board Room to AMF Pannel (For Auto system).

2. **Earthing:**

   Building suitable earthing station and necessary connections shall be done by firm. In case of 3 phase DG sets, the total number of earthing pits/stations shall be 4 i.e. 2 for neutral and 2 for body-
Earthing: The consignee should choose installation site in such a way that the earthing stations can be made within 20 metres of the DG set. Earthing station shall be typically built as per prevalent standard practices.

3. Installation of Fuel tank, battery charging, and battery connection.

4. Supply and installation of two no. change-over of suitable rating for DG set with AMF control panel.

5. Unloading and placement of DG set on foundation should be done by the supplier. First fill of lube oil and all filters shall be provided by the firm. The firm shall also provide 200 litters Diesel.

6. The consumables provided by the firm cover the trial run of DG set as well. The firm shall conduct trial run of the DG set with the available electrical load at site. The trial run shall be for ONE hour. The available electrical load shall be less than or equal to the rated capacity of the DG set.

7. Note: Necessary approvals, if any, shall be obtained by the consignees.

8. A copy of valid formal agreement between turbocharged diesel engine manufacturer and DG set manufacturer, ensuring steady supply of engines, should be submitted to concerned DQA at the time of inspection /supply.

9. DG set and diesel engine shall meet the specified norms of Central Pollution Control Board. They shall submit certificate in this regard.

10. Necessary gauges/meter shall be installed to indicate the quantity of diesel input, quantity of diesel consumed and the number of hours of DG set operation.

11. Tenderer shall provide the details of specific fuel consumption on various load of DG set.

12. Tenderers shall have to get the manufacturers of various Engine Models, Alternators models and AMF control panel models for 380 KVA Rating DG Set.

13. Drawing and line diagram of AMF Panel should be provided.
TENDER No. : GOAW/GZP/015/2020-21

TENDER DOCUMENTS

GENERAL INFORMATION FOR THE TENDERERS

1. With reference to this office tender notice issued vide F.No8/8/19/PS/2019 dated 5.2.2020, sealed tenders are invited for purchase of DG SET 380 KVA from established/ reputed manufacturers/distributors or their accredited agents as per specification enclosed with the Tender Documents.

2. Last date for uploading of tenders is up to 15:00 Hrs. of 17.09.2019. Tenders uploaded after due date, time and not in prescribed tender document will not be considered. The tenders are to be submitted (Uploaded) in the prescribed Tender Documents, in respective covers.

3. Tenders uploaded up to prescribed time and date will be opened on 19.09.2019 at 15.30 HRS

4. Technical Bid in the prescribed format as per Annexure C shall be duly filled in and signed by the authorised signatory and uploaded online by the bidder in Cover-I along with the self-attested and stamped scanned copies of the following documents:

   **Cover-I**
   a. Scanned Copy of the current and valid Trade License and Dealership Certificate as applicable.
   b. Scanned Copy of the current and valid GST Registration Certificate.
   c. Tender Acceptance Letter in format given in Annexure-D
   d. Scanned Copy of EMD and Integrity Pact after signed.
   e. Scanned copy of Certificate of Analysis (COA) for the given sample.
   f. A Self declaration on stamp paper shall be submitted duly notarized to the effect that the firm is not BLACK LISTED for Government transaction by any Department / PSU of Government of India.

5. In case the tenderer fails to submit any of the documents as stated above, Financial bids of the bidder shall not be considered for opening and shall be rejected straight away without any further reference.

6. **Cover-2**

   The Financial Bid (as in BOQ) shall be duly filled in, digitally signed and uploaded online by the bidder.

   Both Technical Bid and Financial bid should be submitted online through Central Public Procurement Portal e-tender system website [http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app). Off line Bids shall not be accepted.
Note:

1. Price Bid in BOQ Excel form.
2. Price bid format may be downloaded from e-procurement site [https://eprocure.gov.in/eprocure/app/](https://eprocure.gov.in/eprocure/app/)
3. Tenderers should not modify the price bid.

8. If it is noticed that the goods supplied do not conform to the specification of the order, GOAW, Ghazipur shall have the right to reject the materials in part or full. The supplier shall be liable to replace the rejected materials within the stipulated time. Till the replacement is done, the rejected materials shall be lying at the risk, cost and responsibility of the supplier.

9. Earnest Money of the unsuccessful tenderers shall be released after finalization of the tender, as per General Financial Rules 2017. Interest on the Earnest Money Deposit / Security Deposit will not be paid on any score, what-so-ever.

10. A Self declaration on stamp paper shall be submitted duly notarized to the effect that the firm is not BLACK LISTED for Government transaction by any Department / PSU of Government of India.

11. The General Manager, Govt. Opium & Alkaloid Works, Ghazipur reserves the right to reject or accept any tender without assigning any reason.

-Signed-

GENERAL MANAGER
Terms and conditions:

(A) General Conditions:

i. The Tenderer will have to produce copy of registration certificates with GSTIN No., Excise/Service tax department and copy of PAN CARD along with the tender form.

ii. The tenderer will have to produce solvency certificate from any Nationalized Bank along with the tender form.

iii. The tenderer should furnish along with the tender the statement of supplies made by them during the last three years giving the value of individual supply made and the party’s name thereof.

iv. The rates quoted for any item will be valid for at least six months from the date of opening of Technical & Commercial offer (Part I). Escalation clause will not be accepted.

v. No insurance charges will be paid by the department.

vi. The facilities and inputs which will be provided by the GOAW, Ghazipur: Water, Electricity, all pipe lines with fitting, electric cable and suitable steel structure platforms.

vii. The Supplier will provide all materials/accessories/oils/grease/welding electrodes/nut-bolts required for the installation, testing & commissioning of the item ordered and his rates would be deemed to include the cost thereof.

viii. In the event of any conflict between requirement of any clause of this specification/documents/drawings/data sheets etc. or requirement of different codes/standard/specification, the same to be brought to the knowledge of the department in writing with reference for such clarifications before submission of bid, otherwise, more stringent requirements as may be interpreted by this department shall prevail and shall be binding.

ix. Tax and duties should be shown separately and should also be added in the total amount quoted. Total amount quoted should be quoted in Indian rupees shown both in numbers and words.

x. Place of delivery will be GOAW, Ghazipur and prices will be on FOR basis. No other charges including transportation charges, Packaging, forwarding, transit insurance etc. will be paid separately.

xi. The General Manager reserves the right to reject any or all the tenders without any reason thereof and his decision will be final.

xii. Any dispute arising out of this tender and subsequent supply, installation, commissioning, testing and execution of other related work will be under the jurisdiction of the District Court at Ghazipur.

xiii. The contractor should be capable to look maintenance, after sale & service and be able to supply spare parts at least for five years.

xiv. Contractor/ Firm shall comply with the Factory Acts, labour laws and safety laws in force from time to time.

xv. Any other Rules and regulations, conditions etc. what are in force at present and that any be framed by this Works from time to time in connection with the contract will be binding and acceptable to the contractor.

xvi. All the General T&P required for executing the job is to be arranged by contractor and no extra payment will be done. T&P shall include spanners of inch size, mm sizes, hammer, screwdriver, chain pulley block, winches, other lifting equipment devices, sling, D shades, eyebolt, etc. for the above job.

xvii. Work is to be started at as directed by the Factory Engineer with the approval of the Manager.

xviii. The tenderer(s) have to enclose one copy of the set of Terms & Conditions SCHEDULE-A duly accepted, signed and sealed, with the technical bid Schedule B). The tender(s) received without accompanying of above, duly sealed & signed will not be considered.
xix. Bidders are advised to visit the plant/site and familiarize themselves with the existing system, plant, equipment and layout etc. before quoting techno-commercial offer. Since the work is of technical and sophisticated nature, therefore a pre-bid conference is to be held on 12.09.2019 at .00 pm in the conference room of General Manager’s office Ghazipur. The bidders interested may attend the conference and enquire about the specification and other conditions and may clear their doubt.

xx. Bidders shall have to adopt integrity pact to ensure transparency and equity in the contract. Integrity pact (Schedule C) attached to the tender document will have to be submitted with Technical and Commercial bid duly signed by appropriate signatory on behalf by bidders.

xxi. High end technology with low operational cost will be preferred.

(B) Security Deposit/Performance Guarantee:

i. Successful bidder shall furnish a security deposit within 7 days when it will be asked in the form of D.D./FDR in the favour of “Asstt. Chief Accounts Officer, Govt. Opium & Alkaloid Works, Ghazipur (U.P)” @ 10% of the ordered value.

ii. The security deposit will not be returned till the period of guarantee/warranty.

(C) Inspection and Testing:

i. The work/items under the job/tender may be inspected either on the premises of the bidders before delivery or at the premises of this department after its supply, as decided by the competent authority.

ii. Any damage in the equipment/plant/machinery/vehicle during the supply, installation, testing noticed during the inspection shall be on the account of supplier and he would not be entitled to any payment for the loss or damage caused to the equipment. The damaged item will be replaced immediately by the supplier at his cost.

iii. The General Manager reserves the right to subject the works to a second inspection and testing by an authority nominated by him or to inspect and test the works himself and may reject them if not found conforming to the laid down standards and specification, within a period of six months from the date of acceptance by the normal inspecting authority mentioned above even if the works done have been accepted, passed and paid for. The Contractor shall carryout such rectification works within a period of one month on receipt of due notice in writing at his cost.

iv. Test Certificates in support of material specification mentioned in shall be made available to us for equipment. The manufacturer’s test certificate in original is acceptable. Wherever, the test certificates from outer agencies are being furnished the same shall be submitted without extra cost to this work.

v. The bidders should insure regular maintenance and operation of D.G. set during the guarantee period i.e. 2 years.

(D) Supply/Delivery Schedule:

i. The delivery of equipment/ machinery/ instruments has to be completed within 30 days from the date of order. In case of any delay in delivery, installation, commissioning and testing, there will be a penalty of @2% of value of the goods every for 10 days or part thereof the delay.

ii. In case the Tenderer withdraws his tender or in the event of his tender being accepted, fails to accept the order within the stipulated time the Earnest Money furnished by him shall be liable to be forfeited without any prejudice to other rights of the Govt. under the law.

iii. In case the supplies are not completed within the stipulated period, the order may be cancelled and the items may be sent back without any liability on the cost of supplier, whatsoever towards the
department and the defaulting supplier shall be responsible for the loss. Differential cost arising out of supply made by another supplier will be recovered from the first supplier.

iv. The department accepts no responsibility and liability for the loss or damage to the items in transit or for the rejected item of the equipment/plant/machinery/vehicle.

v. The installation, commissioning and testing of equipment/machinery/instruments has to be completed within 30 days after its supply failing which a penalty of @2% of the values of the order for every 10 days or part thereof, the delay will be imposed.

(E) Guarantee/ Warranty

i. The items supplied would bear a guarantee for a period of **two year** from the date of installation & commissioning of equipment/plant/machinery/ vehicle with regard to the quality of stores fitted and workmanship. The supplier shall carry out such rectification, including replacement of spares wherever warranted within a period of 7 days of receipt of communication regarding defects at his cost, failing which the department reserves the right to get such rectification, works done at his risk and cost.

ii. All Equipment/Machinery to be supplied should be in conformity with GMP Requirements as laid down in the Drugs & Cosmetics Act and Rules, if such requirements are applicable for these items.

(F) Payment Instructions :

i. 50% payment shall be released against supply of entire material to this Works with proper test certificates. Balance 25% payment on successful completion of fabrication installation, remaining balance 25% payment on successful testing and commissioning of the entire system at this Works.

ii. Prescribed pre-stamped bills in triplicate will be submitted to the paying authority after fulfilling condition mentioned herein along with copy of our supply order.

iii. The bills along with connected documents will be subjected to pre audit by departmental finance section prior to releasing payment.

iv. Payments will be made through A/C payee cheques/RTGS/e-payment.

(G) Recovery of Outstanding Dues :

The department reserves the right to recover outstanding dues Penalty etc. from the firm from Earnest Money Deposit/Security Deposit/any amount available with the department.

The above conditions are accepted.

Yours faithfully

ANNEXURE-E

Ministry of Finance, Govt. Opium and Alkaloid Works, Ghazipur (U.P.)

TENDER No.: GOAW/GZP/01/2019-20

Special Instructions for submission of bids

1. The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

2. More information useful for submitting online bids on the CPP Portal may be obtained at https://eprocure.gov.in/eprocure/app

REGISTRATION

a. Bidders are required to enrol on the e-Procurement module of the Central Public Procurement Portal (URL: https://eprocure.gov.in/eprocure/app) by clicking on the link “Online bidder Enrolment” on the CPP Portal which is free of charge.

b. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

c. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.

d. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.

e. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.

f. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

i. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.

ii. Once the bidders have selected the tenders they are interested in, they may download the required documents/ tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

iii. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.
PREPARATION OF BIDS

a. Bidder should take into account any corrigendum published on the tender document before submitting their bids.

b. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

c. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

d. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

i. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

ii. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

iii. The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

iv. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

v. Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

vi. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
ASSISTANCE TO BIDDERS

1. Any enquiries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal helpdesk. The contact number for the helpdesk is 1800 2337315.

INTEGRITY PACT

Between

Government Opium and Alkaloid Works, Ghazipur hereinafter referred to as “The Principal”,

And

………………………………………………………. hereinafter referred to as “The Bidder/Contractor”

Preamble

The Principal intends to award, under laid down organizational procedures, contract/s for…………………………………………………………………………… The Principal values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relations with its Bidder(s) and/or Contractor(s).

In order to achieve these goals, the Principal will appoint an Independent External Monitor (IEM), who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1 – Commitments of the Principal

(1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:

a. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

b. The Principal will, during the tender process treat all Bidder(s) with equity the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.

c. The Principal will exclude from the process all known prejudiced persons.

(2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC/PC Act, or if there be a substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2 – Commitments of Bidder(s)/Contractor(s)

(1) The Bidder(s)/Contractor(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.
a. The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal’s employees involved in the tender process or the execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

b. The Bidder(s)/Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission on non-submission of bids or any other actions to restrict competitiveness or to introduce cartelisation in the bidding process.

c. The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act; further the Bidder(s)/Contractor(s) will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

d. The Bidder(s)/Contractor(s) of foreign origin shall disclose the name and address of the Agents/representatives in India, if any. Similarly the Bidder(s)/Contractor(s) of Indian Nationality shall furnish the name and address of the foreign principals, if any. Further details as mentioned in the “Guidelines on Indian Agents of Foreign Suppliers” shall be disclosed by the Bidder(s)/Contractor(s). Further, as mentioned in the Guidelines all the payments made to the Indian agent/representative have to be in Indian Rupees only. Copy of the “Guidelines on Indian Agents of Foreign Suppliers” is annexed and marked as Annexure.

e. The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

(2) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 – Disqualification from tender process and exclusion from future contracts

If the Bidder(s)/Contractor(s), before award or during execution has committed a transgression through a violation of Section 2, above or in any other form such as to put his reliability or credibility in question, the Principal is entitled to disqualify the Bidder(s)/Contractor(s) from the tender process or take action as per the procedure mentioned in the “Guidelines on Banning of business dealings”. Copy of the “Guidelines on Banning of business dealings” is annexed and marked as Annex – B.
Section 4 – Compensation for Damages

(1) If the Principal has disqualified the Bidder(s) from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit/Bid Security.

(2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages of the Contract value or the amount equivalent to Performance Bank Guarantee.

Section 5 – Previous transgression

(1) The Bidder declares that no previous transgressions occurred in the last 3 years with any other Company in any country conforming to the anti-corruption approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.

(2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as per the procedure mentioned in “Guidelines on Banning of business dealings.”

Section 6 – Equal treatment of all Bidders/Contractors/Subcontractors

(1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact, and to submit it to the Principal before contract signing.

(2) The Principal will enter into agreements with identical conditions as this one with all Bidders, Contractors and Subcontractors.

(3) The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section 7 – Criminal charges against violating Bidder(s)/Contractor(s)/Subcontractor(s)

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the same to the Chief Vigilance Officer.

Section 8 – Independent External Monitor(s)

(1) The Principal appoints competent and credible Independent External Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
(2) The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to Chief Controller of Factories.

(3) The Bidder(s)/Contractor(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder(s)/Contractor(s)/Subcontractor(s) with confidentiality.

(4) The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

(5) As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or take corrective action, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.

(6) The monitor will submit a written report to the Chief Controller of Factories within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.

(7) Monitor shall be entitled to compensation as determined by the General Manager, Govt. Opium and Alkaloid Works, Ghazipur.

(8) If the Monitor has reported to the Chief Controller of Factories, a substantiated suspicion of an offence under relevant IPC/PC Act, and the Chief Controller of Factories has not, within the reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner.

(9) The word ‘Monitor’ would include both singular and plural.

**Section 9 – Pact Duration**

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract, and for all other Bidders 6 months after the contract has been awarded.
If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chief Controller of Factories.

**Section 10 – Other provisions**

(1) This agreement is subject to Indian Law. Place of performance and jurisdiction is the GOAW, Ghazipur.

(2) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

(3) If the Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members.

(4) Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
